SUMMARY

25X1D

A storage installation is located on the northeast edge of Kovel (Figure 1) near the large transshipment depot. The installation covers approximately 66 acres and is road served.

The installation contains 31 storage buildings, four administration buildings, and one support building.

The installation is active and little to no change has been noted since [REDACTED] however, increasing improvement in the quality of photography shows buildings which are not new but could not be identified on earlier photography. The installation was [REDACTED] Missions between [REDACTED]
